In spite of the Tip Tops than the Staff.

Johnson spiked this tale as a fabrication, employers, it was learned that he will whistle Club team matches. The card "I had hoped to place Collins in New be pleased to meet Mr. Ward at any was compiled on No. 2 course as follows:

market for Collins's services, but I do not for a moment believe Comiskey has any intention of parting with his hard won phenom."

Johnson partiy confirmed the report that Counie Mack was being considered as a possible manager of the New Yorks. "From what Connie had to say this morning." said Ban, "I do not think it likely that he will leave Philadelphia. But I will admit that the plan had been broached to him."

Contrary to general belief Mack is not. I do not think it for the world and the Wards. However, the National League may not be so tenient. Marquard has furnished the topic of a discussion which has not losen settled as to whether or not any major player who has bogey.

VAN KAMPEN CAN'T PLAY.

New Brunswichts will be with the will leave Philadelphia. Restitution might leave Marquard a technical offender, though legally he could not be so considered until he failed to fulfil the terms of his contract with New York.

Contrary to general belief Mack is not. York.
